Your response will also be shared with the Pennsylvania Family Institute in Harrisburg, PA to use as they determine.

We encourage campaign-capable candidates to make further use of this information on their own Facebook page, website, twitter and their own media news releases. Why not reach out to Church-going Christians? If you value the value voters TELL them so. 82% of Church-going Christians voted for Donald Trump for President because he appealed to them, and his record breaking performance with this population segment enabled him to carry Pennsylvania and several other battleground states, and become President. We welcome both donations to help pay for this literature distribution effort as well as volunteers to help distribute the finished 2017 Values Voter Guide for York County PA.

Several of these survey questions were also asked by the Pennsylvania Family Institute in 2015; we will send this to their office to save you the trouble, while also reporting as indicated below, your response to these and our questions as we have advised them in advance. Please be sure to sign your name at the end before returning this completed form).
