11. What is your marital status? Married single divorced separated

12. How have your achievements, experience and strengths prepared you for the position you now seek?

President Eisenhower said during his 1953 inauguration, "History does not long entrust the care of freedom to the weak or the timid." This is what has gone wrong... having the weak and timid represent us in Harrisburg. My heart is broken that after 30 years of service & four combat deployments that I am handing off Pennsylvania less prosperous, less secure and less free than how I received it. I will not stand aside as career politicians and greedy bureaucrats run us into the ground. This is why I am asking for your vote... to fight for you, our freedoms and state. What do I offer as your Senator?

Leadership - I'm a proven leader. I lead from the front, the first one in and the last out... never asking others to do what I myself would not do.

Team Builder - I've united diverse groups of men and women people from across this state... the nation and world. I know how to work with others to deliver results.

Service - Theodore Roosevelt said a man must serve before he can lead... I served you for more than 30 years... during the Cold War, in Iraq and Afghanistan. Serving as your senator is a sacred calling about protecting *YOUR* rights and restoring Pennsylvania's greatness.

Combat Veteran - I have laid my life on the line for our nation and you can count on me not to waiver when defending our hard fought for freedoms.

Experience in delivering results My life is about delivering results. Of my original class of 40 plus officers, only three of us made it to Colonel. To achieve this is extremely difficult and only comes by being a person of moral character, incredibly hard work, personal sacrifice and delivering

results. Simply put, if you don't deliver results, you are gone. I know what it takes to advance our agenda toward the goal and to get it done.

Determination... Doug Mastriano won't waiver when rich lobbyists or slimy politicians try to buy my vote. I've stood for our great country against dictators and terrorists in distant lands; I won't back down to Harrisburg bureaucrats.

Character... Serving as your State Senator is about being a public servant and as such, I will decline the pension offered to government officials.

The bottom line - I'll remain faithful to YOU as I have all my life... and fight for the American principles we share: *Freedom, Liberty, Fiscal Responsibility, and Common Sense*

Pennsylvania is the heart and soul of the nation. It was the birthplace of Liberty in 1776... where in 1863 a new birth of freedom swept this land ... and where the nation was saved on that glorious night in 1863. But, something has gone terribly wrong... and it is time for us to rise up. It is our time to rise up and change the course of our history. Each life matters in the eyes of God... whether an unborn child or retiree... What you we do in life matters... It echoes across the generations... ..and into eternity... and together we can change history. The future of Pennsylvania rests in our hands. Although confronted with seemingly overwhelming odds, we can, with God's help, restore the greatness of the Commonwealth.
