Survey Question #6: What are your most significant accomplishments in your most recent work experience?

Sheriff Keuerleber's leadership, dedication and experience have contributed to many accomplishments as your Sheriff:

- ✓ His office has planned, developed and instituted a custom software program which has been implemented in 39 counties throughout Pennsylvania. The office also launched a mobile application which was designed for information sharing between the office and residents.
- ✓ Under his leadership, the Sheriff's Office has placed significant emphasis on technology to meet the increasing demands of services, enabling the department not to increase staff, and as a result being fiscally conservative to the taxpayers.
- ✓ The Sheriff's Office is also in the process of implementing a new records management program within the Central Booking Center, which will share all records with local law enforcement.
- ✓ The York County Sheriff's Office currently has four certified K-9's. The most recent addition, through the excellent working relationship between the Sheriff's Office and the District Attorney's office, has been the drug detection K-9.
- ✓ Under the direction of Sheriff Keuerleber, the Sheriff Deputies diligently continue to serve outstanding warrants and assist all other law enforcement agencies.
- ✓ The Sheriff's Office also supports the Court of Common Pleas Judges and, under the direction of Sheriff Keuerleber, will continue to diligently provide security and service to our Courts.
