**The Board has nominated State Senator Doug Mastriano to be 2022 Statesman of the Year and awaits his reply to the invitation already sent.**

State Senator Mike Jones has accepted appointment as the Honorary Chairman, Statesman of the Year and Candidate Forum event, and will present the Award if Mastriano accepts his nomination.

The Board has decided to retain the scoring system and to publish a new 2022 edition of the Value Voters Guide to both motivate church going Christians to register to vote and to vote in the November election and to help them make informed decisions on candidates. They will continue the A-B-C ratings based upon answers to questions asked of candidates, and will mark candidates who do not respond with a "DNR" (for did not respond).

George Margetas (and his wife Kelley) will be the Statesman of the Year and Candidate Forum Task Force Chairman. Ray Tuleya will be the Value Voters Guide Task Force chairman.

The Board thanks Representatives Jones and Keefer and Future Representatives Fink and D'Orsie for their inspirational remarks at the leadership meeting last Monday where nearly 30 participated. They are the future of the GOP, of York and of PA. They are named official Advisors to the York CCC Chapter, which is seeking additional "working group" members. Why not Dear Reader, you?
