Jenny Beth Martin Keynote points at this free RALLY:

- *Trump vs the Biden-Harris Democrats, what are the major policy differences?
- *The so-called “Penny Tax” - \$1.3 billion over 20 years in Marion County. Is it time to say “taxed enough already?” Do you agree with President Trump who recently said, the GOP should run as the party opposing any more tax increases?
- *How to stop voting by illegals—the “SAVE” Act pending before the U.S. Senate. Hint: Kamala Harris recently said “it is time to have a conversation about non-citizen voting in America.” Why the “Safeguard American Voter Eligibility” Act just passed by the House must be passed by the U.S. Senate.
- *Announcing the only TEA Party affiliate in Central FL, the Conservative Christian Club of Marion County (*subscribe to free “Marion County ACTION e-Newsletter”*).

hosted by
**Conservative Christian
Club of Marion County**
